

Business Recycling Guide

ICI Policy Overview

Mandatory program includes businesses and apartment buildings

Use only clear (garbage) bags and blue (recycling) bags placed in labelled bins

Add signage to your waste stations to promote proper sorting, and reduce contamination

Make waste stations accessible to the public

Develop a waste management strategy for your organization which includes the proper storage and handling of prohibited materials

Speak to your hauler (if you have one) to ensure waste is properly contained, hauled, and transferred to the correct locations

Schedule a waste assessment for your organization
